Headteacher: Mrs. Eileen Whiting

---

20 January 2010

Dear parents and carers,

**NEW START TO THE DAY**

Thank you so much for making the new arrangements work well. It is much easier for us to get registers done promptly so that we can check where children are. The children have responded really well to the new arrangements. IF IT RAINS, please send your child a bit nearer to 8.45am or they do get very wet. There are several covered areas-gazebos, overhangs etc where they can stand but they often choose to play in the rain!

**PARENTS' FORUM**

Parents' Forum will meet tomorrow in the School Hall at 9am. The first session is for you to raise issues or make suggestions for discussion at future events. The session will last for approximately 30 minutes. This is an opportunity to take part in school issues so please do come along. The Hall doors in the car park will be open-pushchairs & pre-school children welcome.

**SUPPORTING YOUR CHILD IN AND OUT OF SCHOOL**

Mrs Porter will lead a session on **Reading**-supporting your child at home, and will answer any questions parents have about children learning to read.

Mr Hutton will explain basic calculation in **Maths**-how we teach it and how parents can support with homework. Parents will not be asked to 'do' Maths! This is about the children so please come along.

**E-SAFETY**

On 23<sup>rd</sup> April, there will be another meeting about keeping children safe in their use of the internet.

**ALL MEETINGS WILL TAKE PLACE AT 6PM**

**With best wishes**
