About the nursery

This September the Little Forest Nursery will open its doors for the first time. By registering for a place now you can give your child the best possible start to their education.

Not only will they learn from specialists – our nursery teacher has a First Class degree in early years education – but the proximity to our primary school will make the transition really simple when it's their turn to start reception.

Please note: taking a place at the Little Forest Nursery does not automatically guarantee a place at Kings' Forest Primary School.

More information is available on the Kings' Forest Primary School website.
