

## Governor Vacancies

### Member of the Full Governing Body – 1 position

We currently have a vacancy for a governor to join the full governing body of the Forest Hill Partnership. It is an exciting opportunity to join our governing body and help shape the futures of Kings' Forest and Staple Hill.

Governors will be required to attend:

- 4 full governing body meetings 5:30 -7:30pm
- 3 committee meetings 5:30 -7:30pm
- 2 monitoring days within the school, if possible

A governor job description is available for further information if interested. If you are interested or know someone in the local community who might be interested and would like to speak to a serving governor about the role, please let the office know and we will arrange for a governor to make contact.

If more than one prospective governor is nominated or nominates themselves then a paper election would take place.

### Associate Governors – 4 positions

We are also looking for associate governors to support the work of our Quality of Education committees at both schools.

These new roles would focus on either Kings' Forest or Staple Hill and are non-voting positions. The required commitment would be:

- 3 committee meetings 5:30 -7:30pm spread out across the year
- 2 monitoring days within the school, if possible

These are exciting new governor roles and will help strengthen parent voice within our governing body. If you are interested and would like to speak to a serving governor about the role, please let the office know and we will arrange for a governor to make contact. We have some committee meetings in the next few weeks that any potential new governors would be welcome to attend to get a feel of what is involved. These new roles are for the period of 1 year.

All meetings this year will take place online for everyone's safety.

All expressions of interest can be made by contacting the school offices or speaking to a senior member of staff. Please can expressions of interest be made by 4pm 9<sup>th</sup> October 2020.

Mr Steve Riches

Mr Leigh Hammond

Joint Chairs of Governors
