

11 September 2020

Dear parents/carers,

Flu immunisation for YR to Y6 children

Your child will today be bringing home a letter regarding this year's immunisation programme. Immunisation against flu is being offered to all children from Reception to Year 6.

The immunisation will be via a nasal spray which is very quick and completely painless for the child. It will be done in school by health professionals from the NHS and Sirona care and health. I will be present throughout the day to help with any concerns. All Covid 19 precautions will be in place.

Immunisation will take place in school on Thursday 15th October but for your child to take part you **must return** the fully completed form to the school office by
Monday 21st September

If you do not wish your child to take part or if the child has the immunisation elsewhere please return the form stating the reason that they will not have the immunisation in school.

The letter enclosed with the form explains the benefits of immunisation and gives a contact number for any health queries.

Kind Regards

Wendy Miles
Parent Support Adviser
