Dear Parents/Carers,

To bring some Christmas joy during these difficult times we would love for the children to be able to perform the traditional Nativity story to you live. Sadly, with the restrictions this is not going to be possible this year. However, we feel that the show must go on without a live audience. Our plan is to film our nativity and share the recording with you and have a school screening for the children.

The children will be learning songs, dressing up and performing together as normal. The Nativity will then be professionally filmed and uploaded to a private YouTube account. Parents will be emailed a link to the performance which only EYFS parents will be able to access. Please complete the permission slip below to give consent to your child being filmed and return it to the main school office by the 23rd October at the latest. If you do not wish for your child to be filmed they will form part of an off-screen choir so that they can still participate.

We hope that this will give you something exciting to look forward to.

Thank you for your support.

Yours faithfully

Karen Keddie
EYFS Lead
