

From Term 2, we will be using Tapestry in the following ways:

Messages

- You can contact class teachers as done in reception via your child's individual journal.
- We will aim to respond within 48 hours and only during working hours.
- Teachers will message parents about a child's successes and if needed where parental support is requested to support wrong choices.

Individual Celebrations

- Children celebrated for making a Positive Difference in our weekly assemblies will be celebrated via their individual profile.
- Look out for fantastic learning which teachers wish to share and celebrate with you on your child's individual profile.

Whole Class Messages

- Class or year group specific information will be posted to the whole class.
- Any whole school information, celebrations and/or events will be posted to the whole class.

If you have any questions, contact us via the school office and we will assist you further. Please make sure you have logged into Tapestry so we can use it effectively.
