

ClassDojo

From Term 2 we will be using Class Dojo in the following ways:

Class profiles

- Children celebrated for making a Positive Difference in our weekly assemblies will be celebrated via their profile,
- No points will be awarded to children on class dojo; we will continue to only use our school reward system which is linked to our school values,
- Look out for fantastic learning which teachers wish to share and celebrate with you on your child's profile.

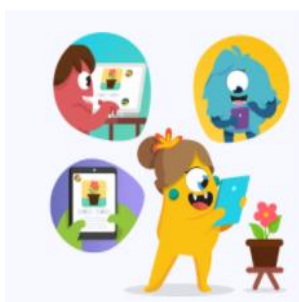

Messages

Send one message to all of
your connected families

- You can contact class teachers using class dojo messages,
- We will aim to respond within 48 hours and only during working hours,
- Teachers will message parents about a child's successes and if needed where parental support is requested to support wrong choices.

Class Story and School Story

- Class or year group specific information will be posted to the class story,
- Any whole school information, celebrations and/or events will be posted on the school story,
- Parent newsletters and other important information will also be shared on the school story (in addition to current arrangements).

If you have any questions, contact us via the school office and we will assist you further. Please make sure you have signed up to class dojo so we can use it effectively.
