

6th November 2020

Dear parents/carers,

The reception team is excited to announce that our topic for this term is called **My World, Your World**, covering identity and diversity. The children will explore how we are similar and also what makes us unique whilst promoting a kind, curious and tolerant attitude towards each other.

To look at the differences we can see in our physical appearances, we will be creating self-portraits and observing our fingerprints. To explore the differences between cultures from around the world we will be mapping our families onto the globe and looking at the local area we live in. We will also consider how these things have changed through time, reflecting on how the children have grown since being born and how moments in history from brave people have contributed to our society. We wish to celebrate our diversity and accept that we are stronger when we unite and have tolerance towards one another.

As our guiding principle we can always rely on the golden rule: Treat others as you would like others to treat you.

Kind regards,
The Reception Team.
