Dear Parents/Carers

We were so pleased to see all of the children back this week. They have all settled back in brilliantly and were so pleased to see all of their friends. They are quickly getting back into school routines and behaviour has been excellent. I am so proud of them and the whole team at Kings' Forest. I am hopeful for sunnier days and a return to some kind of normality as long as infection numbers continue to move in the right direction.

We are trying to plan as many school events as possible within the current limitations. Please see below for some up and coming dates for your diary.

Please continue to wear face masks and adhere to social distancing, leaving the site as soon as possible after drop off and collection. This will help to keep us all safe and keep infections rates as low as possible.

With best wishes

Ms Porter

Safeguarding Corner:

Attendance at school is now compulsory. Please let the office know if your child is going to be absent for any reason. Please do not be offended if we ask the reason for the absence. We must have this for our records. If we are unable to contact you then we will always try to make contact with any numbers provided and work with the Educational Welfare Officer.

Notes from the office:

Don't forget your wellies! If your child attends Forest School please make sure that they come with appropriate footwear and a change of clothing. We will ask class teachers to use Dojo to confirm days if you are unsure.

PE kits for Year 5 and Year 6:

Pupils in Year 5 and Year 6 only should come to school in their PE kits on PE days. All other year groups should have their PE kit in school. This is because the boys and girls in Y5 and Y6 get changed in separate spaces which are difficult to manage during Covid times. A reminder that the expectation for Y5 and Y6 PE uniform is as follows:

Trainers—plain trainers suitable for wear outside

Grey, black or navy leggings or joggers

A plain T-shirt (please no football shirts or patterned T-shirts)

Their normal school fleece or jumper or a school hoodie.

I know that school hoodies are delayed by Monkhouse. We have asked for clarification around this and understand that there are delays due to high demand and lack of staffing over lockdown.
