Friday 8th December 2023

Dear Parents/Carers,

I am delighted to be able to offer individual and small group tuition for ukulele and guitar (acoustic, electric or bass). This will be taught by Mr Jones, he teaches the children in groups of 15 in Y3 and 4, so they know him well. These lessons are available for children in Y3, Y4, Y5 and Y6 and are perfect for absolute beginners, experienced players or pupils who have enjoyed whole class music lessons.

Individual lessons

30 mins - £16

20 mins - £11

Group lessons

2 pupils, 30 mins - £11 each

3 or 4 pupils, 30 mins - £7 each

(Please note the maximum for piano is 2 in a group)

Lessons will be at school, during the day. We will provide links for tuition books and support for working at home. Lessons will be invoiced at the start of each term (4 terms remaining this year) and payment secures your child a place.

When the children have some instrumental knowledge, they will have the option to learn from the Graded syllabuses and take Graded exams. I am always excited to share the Music, so there will be lots of opportunities for the children to play for you and their peers at school.

I can offer support and advice for getting your child an instrument – some shops offer a great renting option which is a good starting point before buying.

Please email if you have any question or queries.

If you are interested please complete the table below and return via email or to the school office. Printed copies are available at reception.

Kind regards,

Georgina Claydon
