Dear Parent/Carers,

## School Meals on Census day- Thursday 18<sup>th</sup> January 2024

In January, May and October the Local Authority conduct a Census requesting information from schools, including pupil numbers and school meals. **This information determines the levels of school funding for the following year.**

The next Census is **Thursday 18<sup>th</sup> January 2024**. The school menu will change to Fish Fingers and chips on this day. Jacket potatoes with cheese and school packed lunches (ham, cheese and tuna) will still be available. On Friday 19<sup>th</sup> January the food choice will be Cheese Pizza , herby diced potatoes and sweetcorn.

To encourage as many children as possible to have a school lunch on Thursday we have added milkshake to the menu that day and for one day only we will have an ice-cream bar! Children will have a choice of ice-cream flavours and lots of different toppings and sauces to create the ice-cream Sundae of their choice!

I know that times are challenging but please can we ask that as many children as possible take up a school meal on **Thursday 18<sup>th</sup> January 2024** to maximise the funding for the school; especially those in KS1 and those entitled to free school meals.

Thank you for your support.
